

COMMACT AUSTRALIA INC

2009 Member Application

If you share our vision of people-centred development and you would like to play a role in creating a vibrant and relevant Australian COMMACT Chapter - become a member!

Membership of COMMACT Australia is open to individuals and organisations who support COMMACT's vision and would like to connect and engage with other NGO's in Australia and around the world.

COMMACT sees people-centred development as a process of empowering and enabling poor and marginalised individuals, groups and communities:

- to expand their personal and collective skills, capacities and resources;
- to gain voice, dignity and self-respect;
- to achieve autonomy in their actions and decision-making capabilities;
- to participate fully and actively in wider society;
- to ensure that the development of society as a whole is sustainable and equitable in terms of rights and responsibilities.
- to increase the control they have over their lives
